【超高频题】

Study or work – 学习工作

Study (for Students) – 学习【中学生】

Do you work, or are you a student?

· I'm a student right now, so I don't work

Where do you study?

· I study at a public high school in the city. It's a pretty big school, and I've been going there since I started secondary school.

What subjects are you studying?

· I'm studying a range of subjects like math, English, and science. This year, I'm really focusing on improving my grades in history and chemistry because they're a bit harder for me.

What about the environment at school?

· The environment at school is mostly good, but it can get a little noisy sometimes, especially during breaks. We have some great teachers, though, who make learning really interesting.

What is your favourite place to study?

· My favorite place to study is definitely my room because it's quiet and I can concentrate. Sometimes I go to the school library if I need extra resources for my assignments.

Do you prefer to study at home or in a library?

· I prefer studying at home because I can take breaks whenever I need to. But if I need to do group work or research, I'll go to the library for better resources.

What part of your school do you like the most?

· I really like the school garden; it's a nice place to relax between classes. The science lab is also great because we get to do a lot of hands-on experiments.

Do you like your school?

· Yes, I do like my school. The teachers are helpful, and I've made some good friends here, so it's a nice place to be.

Do you think your school is suitable for study?

· I think my school is pretty good for studying, though it would be

better if there were more quiet study spaces. The teachers are very supportive, which makes a big difference.

Is there anything that can be improved?

·One thing that could be improved is the amount of homework we get—it can be overwhelming sometimes. It would also help if the classrooms were a bit bigger, as it feels crowded at times.

What do you usually do when you are at school?

·When I'm at school, I spend most of my time in classes, but I also enjoy hanging out with my friends during lunch. After school, I usually stay behind to study or join my club activities.

How do you usually travel to the city where you study?

·I take the bus to school every day, which takes about 30 minutes. Sometimes, my parents drive me if I'm running late.

What skills do you think help you study?

·Time management is really important because it helps me stay organized with homework and projects. Also, note-taking helps me remember important information from lessons.

Do you prefer to study alone or with others?

· I usually prefer studying alone because I can focus better that way.

However, when it comes to group projects, working with others can be really helpful.

Do you prefer to study in the morning or the afternoon?

· I prefer studying in the afternoon because I feel more awake then.

In the morning, it's hard for me to concentrate until I've had some time to wake up.

Who do you think helps you the most in your study?

· My teachers help me a lot, especially when I don't understand something. My parents also encourage me to keep up with my studies, which motivates me.

Do you find it difficult to balance life and study?

· It can be tough to balance schoolwork with other activities, especially during exam season. I try to manage my time well, but sometimes it feels like there aren't enough hours in the day.

Study (for Students) – 学习【大学生】

Do you work, or are you a student?

· I'm a full-time university student, but I also have a part-time job to help cover my expenses.

What's your subject? / What do you study?

· I'm majoring in business administration. I'm really interested in learning how companies operate and how to manage people effectively.

Why did you choose this subject?

· I chose business administration because I've always been interested in how businesses run and the strategies behind successful companies. Plus, it offers a lot of career options after graduation.

Where do you study?

· I study at a university in the city center. It's a big campus with a lot of facilities, so I enjoy spending time there.

What about the environment in the university?

· The environment is quite vibrant and full of energy. There are always events and activities happening, which makes it a lively place to study.

Do you think your university is suitable for study?

· Yes, it's a great place to study because the professors are knowledgeable, and there are plenty of resources. However, some lecture halls can get a bit crowded.

Is there anything that can be improved?

· I think the university could improve by offering more quiet study areas, especially during exam season. Also, better support for students' mental health would be helpful.

How do you usually travel to the city where you study?

· I usually take the subway, which is convenient and fast. If I'm in a rush, I sometimes use a ride-sharing app.

What skills do you think help you study?

· Time management is key because university assignments can pile up quickly. I also find that good research skills help me with my coursework.

Do you prefer to study alone or with others?

· I prefer to study alone for most subjects because I can concentrate

better. But when it comes to preparing for group projects or presentations, studying with others is helpful.

Do you prefer to study in the morning or the afternoon?

· I usually study in the afternoon because I'm not much of a morning person. In the afternoon, I feel more focused and productive.

Who do you think helps you the most in your study?

· My professors and classmates help me a lot, especially when I need clarification on a topic. My family also supports me by encouraging me to stay motivated.

Do you find it difficult to balance life and study?

· It can be difficult, especially with my part-time job and extracurricular activities. But I try to plan my time well, so I don't fall behind in my studies.

What would you like to do after graduation?

· After graduation, I'd like to work in the business sector, maybe in marketing or management. I'm also considering doing a master's degree after gaining some work experience.

What's your future study plan?

·I'm planning to focus on internships and practical experience before I graduate. After that, I might pursue further studies depending on my career goals.

What is your favourite place to study?

·My favorite place to study is the campus library because it's quiet and has all the resources I need. Sometimes, I also study at a café for a change of scenery.

Do you prefer to study at home or in a library?

·I prefer to study in the library because I find it easier to concentrate there. At home, there are too many distractions.

What part of your school do you like the most?

·I really like the student lounge because it's a great place to relax between classes. The business faculty building is also impressive, with modern classrooms and study spaces.

Work – 工作

Do you work, or are you a student?

·I'm working full-time now, but I used to be a student not too long

ago.

What (job) do you do?

· I work as a marketing specialist for an online company. My job involves creating content and running campaigns to promote our products.

Why did you choose that work?

· I've always been interested in marketing because it combines creativity with strategy. Plus, it's a field that's constantly evolving, which keeps things exciting.

What do you enjoy (the most) about your work?

· The thing I enjoy most about my job is the flexibility to work on different projects. I also love collaborating with a creative team to develop new ideas.

What is the most challenging thing in your job?

· The most challenging part is keeping up with the fast-paced changes in the industry. Deadlines can be tight, and there's always something new to learn.

Do you like your workplace?

· Yes, I do like my workplace. It's a positive environment with supportive colleagues, and I appreciate the work-life balance that the company promotes.

Do you prefer working in the morning or the evening?

· I prefer working in the morning because I feel more focused and productive. By the evening, I'm usually ready to wind down and relax.

What kind of technology do you use for your job?

· I use various tools like marketing automation software, analytics platforms, and design programs like Photoshop. Technology is essential for streamlining our processes and measuring performance.

Who helps you the most at work?

· My manager has been a huge help by guiding me through challenging projects. My teammates are also great at offering support when things get busy.

Would you like to work with a lot of people?

I enjoy working with others, but I prefer smaller teams where collaboration feels more personal. Large teams can sometimes make communication more difficult.

How do you manage your time at work?

I usually create a to-do list at the start of the day and prioritize tasks based on deadlines. Time management tools like calendars and task trackers really help me stay on top of things.

Do you see yourself continuing to do this job in the future?

For now, I do see myself staying in this field because there's a lot of room for growth. However, I'm always open to exploring new opportunities that align with my skills.

Do you expect any changes in your job?

I expect the role to keep evolving, especially with the rise of new technologies. I think more automation and AI tools will become part of our daily workflow.

Do you prefer to work at home or in the workplace?

I enjoy the flexibility of working from home because it saves time on commuting. But I also appreciate the social aspect of going into the office, so a balance of both works best for me.

Do you prefer to work alone or in a group?

· It depends on the task. For creative projects, I prefer working in a group because brainstorming with others leads to better ideas. But for focused tasks, I prefer working alone to avoid distractions.

Accommodation/the area you live in – 住所/小区

Where do you live? In the suburb or the central area?

· I live in the suburbs, which is quieter and more spacious than the city center. It's nice to be away from the hustle and bustle, but commuting to work can take some time.

Do you often stay at home?

· I do stay at home quite a lot, especially on weekends when I want to relax. However, I also enjoy going out to meet friends or explore the city when I can.

Do you prefer staying at home or going outside?

· It depends on my mood. If I've had a busy week, I prefer staying at home to unwind. But when the weather is nice, I love going outside to enjoy some fresh air.

What do you like to do when you stay at home?

- When I'm at home, I like to read, watch TV, or cook something new.
I also enjoy spending time online or catching up on shows.

What's your favourite place at home?

- My favorite place is the living room because it's where I can relax and watch TV. It's also the coziest spot in the house for spending time with family or friends.

Do you have a favourite room?

- Yes, my bedroom is my favorite room. It's where I can relax, have some privacy, and feel most comfortable.

Which room do you like the most?

- I like the kitchen the most because I enjoy cooking and trying out new recipes. It's also where we gather as a family to eat and chat.

Which is the most comfortable room?

- The most comfortable room is definitely the living room. It's where we have the softest furniture and where everyone gathers to relax.

What did you enjoy doing at home when you were a child?

· When I was a child, I loved playing with toys and reading books in my room. I also spent a lot of time drawing and doing crafts at the kitchen table.

Would you like to spend more time staying at home?

· I wouldn't mind spending more time at home, especially when I feel like I need a break. But I also enjoy being active and going out, so a balance works best for me.

How long have you been living in this area?

· I've been living in this area for about five years. It's a nice neighborhood, and I've gotten to know some of the people here.

Do different age groups live in this area?

· Yes, there's a mix of different age groups in my neighborhood. You'll see families with young kids as well as older people who've lived here for a long time.

Are people friendly in the areas where you live?

· People are generally quite friendly where I live. Neighbors often say hello and are willing to help out if you need something.

Is where you live quiet?

·It's usually pretty quiet, especially at night. There's some noise during the day, but it's mostly peaceful compared to living in the city center.

What are the benefits of living there?

·The biggest benefit is the peaceful environment. It's also safer, and there's more space for outdoor activities compared to the city.

Do you know any of your neighbours?

·I know a few of my neighbors quite well. We sometimes chat when we see each other, and they've been really helpful when I've needed something.

Do you often meet your neighbours?

·I don't meet my neighbors that often, but we do say hello when we bump into each other. We usually see each other during neighborhood events or while walking outside.

What do you think your living area would be improved?

·I think it would be nice to have more public transportation options in the area. Also, more community events could help bring people

together and make the neighborhood feel even more connected.

Hometown/ The area you live in – 家乡

What's your hometown?

· My hometown is Beijing, a vibrant city known for its rich history and modern developments. It's a great place to live with a mix of culture and innovation.

Where are you from?

· I'm originally from a small town near Beijing, but I've been living in the city for many years now. It's been a big change, but I enjoy the fast-paced life here.

How long have you lived in your area?

· I've lived in my area for over ten years now. It's grown a lot during that time, with new buildings and parks popping up.

Do you like living here? (Why)

· Yes, I enjoy living here because it's convenient and has everything I need. The public transportation is great, and there are lots of places to explore in my free time.

Do you live in a large or small city?

· I live in a large city, and it can be a bit overwhelming at times, but there's always something to do. The variety of restaurants, shops, and activities makes it exciting.

Is your city a popular destination that also has quiet areas?

· Yes, my city is quite popular with tourists, but there are quieter neighborhoods where you can escape the crowds. I live in one of those areas, and it's nice to have that balance.

Is this city a quiet or a noisy place?

· The city is mostly noisy, especially in the central areas with traffic and crowds. However, if you go to the parks or outskirts, it can be much more peaceful.

Which part of your hometown do you like the most?

· I love the historical parts of my hometown, especially the old temples and narrow streets. They remind me of the city's rich history and culture.

Where do you want to live in the future?

· In the future, I'd like to live in a city that's a bit quieter but still offers

good job opportunities. Somewhere with a slower pace but access to all the modern conveniences.

Do you think your hometown is a liveable city?

· Yes, it's a very liveable city with plenty of job opportunities and a high standard of living. However, the cost of living can be a bit high for some people.

Do different age groups live in your hometown?

· Yes, people of all ages live here, from young professionals to retirees. It's a diverse place where you can meet people from all walks of life.

Is there anything famous in your hometown?

· My hometown is famous for its historical landmarks like the Forbidden City and the Great Wall. Tourists from all over the world come to visit these sites.

Do you know much about the history of your hometown?

· I know quite a bit about my hometown's history, especially its role in China's imperial past. It's fascinating to learn how the city has changed over the centuries.

What do you think would improve where you live?

I think improving public services like healthcare and transportation would make the city even better. More green spaces would also make it a nicer place to live.

how you knew each other

why you didn't contact him/her for a long time

how you got in contact with each other again

and explain how you felt about it.

参考答案

I recently reconnected with an old friend named Lisa, who I hadn't spoken to in years. We met in high school and quickly became close friends, bonding over our love for books and movies. However, after graduating, we lost touch because we went to different universities in different cities. Life got busy, and we just drifted apart. A few months ago, I stumbled upon her profile on social media and decided to send her a message. To my surprise, she replied right away, and we picked up right where we left off. It felt so good to talk to her again and catch up on each other's lives. I realized how much I had missed our conversations and her sense of humor. Reconnecting with her reminded me of the importance of keeping in touch with old friends.

Key Collocations:

Reconnected with - 重新联系

动物藏身

Describe a place in your city where you have seen wild animals.

You should say:

where the place is

what wild animals you have seen there

whether the place was popular/crowded

and explain how you felt about this place.

参考答案

There's a place in my city called Green Park where I've seen wild animals. It's located on the outskirts of town, away from the busy city center. The park has a large natural reserve area where various animals like squirrels, rabbits, and even some deer roam freely. I've also spotted different species of birds and the occasional fox. Green Park is quite popular among nature lovers and photographers, so it can get a bit crowded on weekends. However, because the park is so large, you can still find quiet spots to observe the wildlife. I always feel a sense of peace and connection with nature when I visit. It's a great escape from the hustle and bustle of city life, and I love watching the animals in their natural habitat.

Key Collocations:

Wild animals - 野生动物

Natural reserve - 自然保护区

Roam freely - 自由漫游

Nature lovers - 自然爱好者

Hustle and bustle - 喧嚣和繁忙

理想驻地

Describe an ideal and perfect place where you would like to stay, e.g. a house or an apartment.

You should say:

where it would be

what it would look like

what special features it would have

and explain why it would be an ideal place for you.

参考答案：

My ideal place to stay would be a cozy house by the beach, somewhere along the coast in southern Spain. The house would have a simple, elegant design with large windows that let in plenty of natural light and offer a stunning view of the ocean. It would be surrounded by a small garden filled with colorful flowers and a few fruit trees. Inside, there would be an open living space with a modern kitchen, a comfortable reading nook, and a spacious balcony where I could relax and enjoy the sea breeze. One special

feature would be a private path leading directly to the beach, perfect for early morning walks. This place would be ideal for me because I love being close to nature, especially the ocean. It would provide a peaceful and inspiring environment where I could unwind and feel truly at home.

Key Collocations:

cozy house – 舒适的房子

elegant design – 优雅的设计

stunning view – 绝美的景色

spacious balcony – 宽敞的阳台

peaceful and inspiring environment – 平静而鼓舞人心的环境

参考答案：

A crowded place I've been to is the Great Wall of China during the Golden Week holiday. I visited it last October with a group of friends. We chose to go during this time because we thought the autumn scenery would be beautiful, but we didn't anticipate how packed it would be. When we arrived, the place was filled with tourists from all over the country and the world. We spent most of the day slowly making our way along the wall, taking pictures, and enjoying the incredible views despite the crowds. Although it was overwhelming at times with so many people around, I still felt a sense of awe and wonder. Being at such a historical and iconic site, even amidst the chaos, was a memorable experience. It made me appreciate the rich history and cultural significance of the Great Wall.

Key Collocations:

crowded place – 拥挤的地方

Golden Week holiday – 黄金周假期

autumn scenery – 秋天的景色

packed it would be – 人满为患

sense of awe – 敬畏感

文化之地

Describe a cultural place that you would like to learn the culture there. (e.g. a library, museum, and theatre)

You should say:

where it is

how you know this place

what you can learn there

and explain why you would like to learn the culture.

参考答案：

A cultural place I would love to explore is the Louvre Museum in Paris, France. I've known about this iconic museum since I was a child, through books, documentaries, and stories from friends who have visited. The Louvre is home to an incredible collection of art and artifacts from different cultures and historical periods, such as the Mona Lisa and the Venus de Milo. You can learn so much there about European art history, the evolution of different artistic movements, and the cultural influences that shaped them. I am particularly interested in understanding the French Renaissance period and how art reflects the social and political contexts of its time. I would like to learn the culture there because it offers a deep

dive into the rich heritage of Europe, and visiting such a world-renowned museum would be both inspiring and educational.

Key Collocations:

explore the Louvre Museum – 探索卢浮宫

iconic museum – 标志性博物馆

incredible collection – 非凡的收藏

art history – 艺术史

cultural influences – 文化影响

他人房间

Describe someone's room where you enjoy spending time.

You should say:

whose room it is

what it is like

what you can do there

and explain why you enjoy spending time there.

参考答案：

I love spending time in my friend Anna's room. It's cozy and beautifully decorated with lots of warm colors and soft lighting. Her room has a comfy sofa piled with cushions, a huge bookshelf filled

with interesting novels, and a small desk where she works on her art projects. There's also a large window with a great view of the garden, which lets in plenty of natural light. When I'm there, I enjoy reading one of her books, chatting with her, or just relaxing and looking out at the garden. The atmosphere is always calm and inviting, and her taste in decor makes it feel like a little retreat from the world. That's why I always look forward to hanging out there.

Key collocations:

1. Comfy sofa 舒适的沙发
2. Warm colors 温暖的色彩
3. Soft lighting 柔和的照明
4. Huge bookshelf 巨大的书架

Describe a small shop or store you often go to.

You should say:

where it is

when was the last time you went there

how often do you go there

and explain why you often go to this shop.

参考答案

There's a small bakery I visit quite often near my apartment. It's just a five-minute walk from my place, which makes it really convenient.

The last time I went there was actually last weekend. I usually stop by once or twice a week to grab a coffee and some fresh pastries.

The bakery has this really warm and cozy atmosphere, and the staff are always friendly, which makes me feel welcome. I keep going back because their bread and pastries are always fresh, and I love supporting local businesses. Plus, it's a nice break from the bigger, more crowded stores in the area.

Key Collocations:

1. Visit quite often - 经常光顾

2. A five-minute walk - 五分钟的路程

3. Grab a coffee - 买杯咖啡
4. Warm and cozy atmosphere - 温暖舒适的氛围

昂贵物品

Describe the most expensive item you have ever bought.

You should say:

what it is
when and where you bought
what you use it for
and explain why you bout this.

参考答案：

The most expensive item I have ever bought is a high-end laptop. I purchased it about a year ago from an electronics store in Beijing. I needed a reliable device for my work as an IELTS teacher and for personal projects like writing and video editing. I use it every day for lesson planning, conducting online classes, and creating educational content. I decided to buy this laptop because my previous one was slow and frequently crashed, which was frustrating and unproductive. I chose a model with a powerful processor, a high-resolution screen, and plenty of storage to ensure it could handle all my tasks smoothly. Although it was a significant investment, it has proven to be worth every penny because it has made my work more efficient and enjoyable.

Key Collocations:

high-end laptop – 高端笔记本电脑

reliable device – 可靠的设备

lesson planning – 课程规划

conducting online classes – 进行在线课程

significant investment – 重大投资

传统食物

Describe a traditional food at a traditional festival or a special event in your country.

You should say:

what it is

when you eat it

how it is made

and explain why you like it

参考答案：

One traditional food that I love is mooncakes, which are eaten during the Mid-Autumn Festival in China. Mooncakes are small, round pastries that have a thick filling, usually made of red bean paste, lotus seed paste, or salted egg yolks. They are often beautifully decorated with patterns on top and sometimes filled with nuts and seeds. Mooncakes are usually baked until golden brown and have a rich, sweet flavor. We eat them while celebrating the festival with family, enjoying the full moon, and appreciating the

time spent together. I like mooncakes because they remind me of family gatherings and the joy of celebrating our culture. Plus, they're delicious and come in so many varieties!

Key Collocations:

traditional food - 传统食品

mid-Autumn Festival - 中秋节

thick filling - 厚实的馅料

beautifully decorated - 精美装饰

family gatherings - 家庭聚会

家中照片

You should say:

what or who is in the picture

where this picture is in your home

who took this picture

And explain why this picture is meaningful.

参考答案：

There's a family photo hanging in my living room that I really love. It's a picture of my parents, my siblings, and me during a holiday we took a few years ago. We're all standing by the beach, smiling, with the sunset in the background. I placed it in the living room because it reminds me of a happy time we spent together. My dad actually took the photo, which makes it even more special. This picture is meaningful to me because it captures a rare moment when we were all relaxed and enjoying each other's company.

Key Collocations:

1. **Family photo** 家庭照片
2. **Hanging in my living room** 挂在我的客厅
3. **Took a holiday** 度假
4. **Reminds me of a happy time** 让我想起一段快乐的时光
5. **Enjoying each other's company** 享受彼此的陪伴

视频学习

Describe an online video where you learned something new

You should say:

when and where you watched it

what it was

why you watched it

and explain what you have learned from it

参考答案

I recently watched an online video on YouTube about basic cooking techniques. I watched it last month at home, during the weekend when I had some free time. The video was a tutorial by a professional chef who demonstrated how to chop vegetables correctly, cook perfect pasta, and make a simple sauce from scratch. I decided to watch it because I wanted to improve my cooking skills and start preparing healthier meals at home. From this video, I learned some useful knife skills, such as how to hold a knife properly and different cutting techniques. It also taught me the importance of timing and seasoning in cooking, which has made a big difference in the dishes I make now. Overall, it was an eye-opening experience, and it boosted my confidence in the kitchen.

Key Collocations:

Cooking techniques - 烹饪技巧

Free time - 空闲时间

Improve my cooking skills - 提高我的烹饪技能

Boosted my confidence - 增强了我的信心

遭遇挑战

Describe a challenge you faced that you thought was rather difficult.

You should say:

what it was

when and where you faced it

why you thought it was a difficult challenge

and explain how you felt at the time.

参考答案：

One of the most challenging situations I faced was when I had to deliver a presentation in English at an international conference last year in Shanghai. Although I've been studying English for years, speaking in front of a large audience, especially one filled with native speakers, was incredibly daunting. I had prepared my speech thoroughly, but as the day approached, I began to doubt my language skills and my ability to engage the audience. It felt like an uphill battle because I was worried about making mistakes or not

being understood. At the time, I was filled with anxiety and self-doubt. However, I knew this was a great opportunity for personal growth. Despite the fear, I pushed myself to go through with it, and afterward, I felt a great sense of accomplishment. It taught me the value of stepping out of my comfort zone and facing my fears head-on.

Key Collocations:

deliver a presentation - 发言

international conference - 国际会议

incredibly daunting - 非常令人畏惧

uphill battle - 艰难的挑战

stepping out of my comfort zone - 走出舒适区

获得奖品

Describe a prize you have received. (e.g. a medal)

You should say:

what it was

when you received it

what you did to receive it

and explain how you felt about it.

参考答案：

A prize that stands out in my memory is a medal I received for completing a marathon a couple of years ago. I got it in the fall of 2021 when I participated in my first-ever marathon in Beijing. To earn this medal, I had to push myself both physically and mentally for months. I remember waking up early every morning to train, slowly increasing my distance each week, and building my stamina. Crossing the finish line was a moment of pure joy and relief, but also disbelief—I couldn't believe I had actually done it! Receiving the medal was such a rewarding experience. It wasn't just a piece of metal; it symbolized all the hard work, determination, and perseverance I had put into reaching my goal. It gave me a deep sense of pride and accomplishment.

Key Collocations:

stands out in my memory – 在我的记忆中脱颖而出

earn this medal – 获得这枚奖牌

push myself both physically and mentally – 在身心上逼迫自己

crossing the finish line – 冲过终点线

deep sense of pride – 深深的自豪感

You should say:

- what the film was about
- when and where you watched it
- whether you liked or disliked it

and explain why you wanted to discuss it.

参考答案：

A few weeks ago, I watched a movie called Oppenheimer. It's a historical drama about the life of J. Robert Oppenheimer, the scientist behind the creation of the atomic bomb. I saw it at a cinema with a friend, and we both really enjoyed it. The film was intense and thought-provoking, especially how it showed the ethical dilemmas faced by scientists during that time. I wanted to discuss it because it wasn't just entertaining, but it also made me think deeply about the impact of science on society. I'd definitely recommend it to anyone who enjoys history and complex characters.

Key Collocations:

Historical drama 历史剧

陌生来电

Describe a time when you answered a phone call from someone you didn't know in a public place.

You should say:

where it happened

what he/she said

how you responded

and explain how you felt about the experience.

参考答案：

I remember a time when I answered a phone call from an unknown number while I was at a café. It happened last month when I was having coffee and reading a book. I picked up the call, and it turned out to be a woman who had dialed the wrong number. She asked if she was speaking to "John," but I told her she had the wrong person. She apologized and explained that she was trying to reach a friend about an urgent matter. I responded politely, letting her know it was no problem, and she quickly hung up. The whole experience was a bit awkward because I was in a quiet public place, and I felt like people around me might be listening. However, it also made me realize the importance of being patient and understanding when such situations occur.

Key Collocations:

Unknown number (未知号码)

Dialed the wrong number (拨错号码)

Picked up the call (接电话)

Public place (公共场所)

Being patient and understanding (保持耐心和理解)

倍感自信

Describe something that made you feel confident

You should say:

what it was

when it happened

why it made you feel confident

and explain how you felt about it.

参考答案：

One thing that made me feel confident was giving a presentation at work last year. It happened during an important meeting with our team and some senior managers. I had spent a lot of time preparing and researching the topic, and I knew the content inside out. When it was my turn to present, I felt a bit nervous at first, but as I started speaking and saw the positive reactions from the audience, my confidence grew. Successfully delivering the presentation and answering all the questions made me realize that I could communicate my ideas clearly and effectively. This experience boosted my self-esteem and helped me feel more self-assured in professional settings. I felt proud of myself and motivated to take on more challenges.

Key Collocations:

Gave a presentation - 做了一个演讲

Senior managers - 高级经理

Inside out - 彻底地

Positive reactions - 积极的反应

Boosted my self-esteem - 提升了我的自尊

Describe a time when you lost a valuable item.

You should say:

when and where it happened

how much the item was

how you lost it

and explain how you felt about this experience.

参考答案

I remember losing my wallet last winter while I was traveling in Guangzhou. The wallet wasn't just valuable because of the cash inside; it also held my ID, bank cards, and a few sentimental items like a photo of my family. It was worth around 500 yuan, but its

sentimental value was priceless. I think I lost it when I was rushing to catch a train. I had placed it in the outer pocket of my bag, and somehow, in the chaos of getting through security, it must have slipped out. When I realized it was gone, I felt a wave of panic and frustration. I retraced my steps and asked the station staff, but it was nowhere to be found. It was a stressful experience, but it also taught me to be more careful and aware of my belongings, especially when traveling

Key Collocations:

losing my wallet – 丢了钱包

sentimental items – 有感情的物品

worth around 500 yuan – 价值大约 500 元

wave of panic – 恐慌感

retrace my steps – 走回头路

寻求建议

Describe a time when you asked someone for advice.

You should say:

who this person was

why you asked for the advice
what the advice was
and explain how you felt about the advice

参考答案

A time when I asked someone for advice was when I was considering a career change a couple of years ago. I turned to my mentor, Mr. Chen, who has always been a great source of wisdom and guidance. I sought his advice because I was feeling uncertain and anxious about leaving my stable job for a new opportunity that seemed risky but exciting. I explained my situation to him, and he listened carefully before giving his advice. He suggested that I weigh the pros and cons of both options and think about what would make me happiest in the long run. He also reminded me that taking calculated risks can lead to personal growth. I felt his advice was thoughtful and practical, and it helped me feel more confident in making my decision. I ultimately decided to take the new job, and I've been happier ever since.

Key Collocations:

considering a career change – 考虑换职业

source of wisdom – 智慧的源泉

feeling uncertain and anxious – 感到不确定和焦虑

weigh the pros and cons – 权衡利弊
